

Traditional/Transitional Kitchen

JENNIFER LYNN INTERIOR DESIGN
Kitchen Class

"As we step into the kitchen of this Palm Beach Gardens home, we witness the bold and unique custom color cabinetry, which is perfectly complemented by the porcelain Calacatta countertops and brushed gold accents," says designer Jennifer Lynn. "The modern organic design is evident in the custom plaster hood and the unique floating shelf with LED lighting, which adds a touch of elegance to the space." jenniferlynnid.com
